# FareX API Developer Portal Access Guide

Updated: January 8, 2024

#### **Step 1 - Sign-in to the Developer Portal (or sign-up)**

- 1. Sign-into your FareX Developer Portal account
  - If you do not have an account, you can follow the in application steps to sign-up for a free trial account here <u>https://developer.farex.ai/</u>

### **Step 2 - Subscribe to the API you wish to test**

**Note:** Some users are automatically subscribed to all APIs for a trial period. If already subscribed, skip ahead to **Step 3**.

1. From the API page, select the View button

2. On the detail page, select the **Subscribe button** (the subscribe option is also available from the Pricing tab)

≡ Developer Portal		
<b>¢≎</b> ≯ APIs	← Price Subscribe	
Contraction Settings	Provides real-time airfare prices for over 1,500 global markets           Documentation         Pricing
